

COMIC SONG

I. TUNE: WHAT A SWELL PARTY

Olympics are over, the war did cease
all week long we've collided with Greece
Everett Olympics
were the best we've ever seen,
now in closing we'd like to present
a little razz where no harm is meant
Everett Olympics
were the best we've ever seen.

II. TUNE: DREAM

Fay fay fay fay fay fay fay fay
when were upset and we complain
and we can't wait to board the train
whenever there's trouble you will hear one name
Fay fay fay fay fay fay fay fay
when we get tired and fall asleep
and then our nap gets very deep
all of a sudden we hear one big squeak
it's fay on the P. A.

III. TUNE: PUZZLEMENT

There are times we are not sure of what our Uncle Same was
really meant to be
Every morning we're awakened by the sharp and ugly tones of
reveille
And the services conducted every Friday night just fills us
all with glee
Maybe he was meant to be a rabbi in place of Boy's H.C.
But - is a puzzlement.

IV. TUNE: JUST YOU WAIT

Just you wait camp directors just you wait
You'll be sorry but your tears will be too late
You'll be broke and we'll have money
Will we help you don't be funny
Oh ho ho camp directors just you wait.
Oh Mr. Goldstein, just you wait until your water's running dry.
Oh Mr. Sheiner, and the old sailboat is stuck in algae high.
And the cook goes with the baker and you're left with just
one acre
Just you wait camp directors
just you wait camp directors
that's your fate.

V. TUNE: BRING BACK MY BOONIE TO ME

Bring back bring back bring back my laundry to me to me
Bring back bring back bring back my laundry to me
I sent in my laundry last Friday
expecting its speedy return
It came back a wreck four weeks later
and all of our undies were burned.

VI. TUNE: ROBIN HOOD

mike Warren, Mike Warren sitting on the tower
buddy calls buddy calls sixty times an hour
Paul the casanova
sits in the pagoda
waterfront waterfront waterfront
lifeguards lifeguards sitting in the sun
sailboat sailboat for once why can't it run
Mike's going insane - due to incessant rain
waterfront waterfront waterfront

VII. TUNE: BELL BOTTOM TROUSERS

Tom needs a piano, the old one's breaking down
He'll take a maple, or a dirty brown
campers always teasing him, they never let him be.
Poor Tom Havel - camp Everett's prodigy.

VIII. TUNE: "FOX WENT OUT ON A CHASE"

Well Joe went out to the playhouse one night
he tried to discover stars so bright
he had many a show to go that year
before he got the paycheck paycheck paycheck
many a show to go that year before he got the paycheck.
well the campers worked and they worked real hard
but at the end he was short one star
so when it came to My Fair Lady Joe became a ham-o ham-o ham-o
when it came to my fair lady Joe became a ham-o.

IX. TUNE: DEEP BLUE SEA

Dirty lake, Judy, dirty lake
coming to Everett was your mistake
you asked for cocoa mats and they did say
you can have it if you take it from your measly pay.
Chief Judge Hack sits there like a lord
whistle, pen, and her trusty clip board.
Every night she receives her call
Tell us Judy, come on Hack, for you he sure did fall.

X. TUNE: JUST LISTEN TO GARY

Oi Oi Oi Zeta Beta Toy
What have they done to Mrs. DeMatteo's boy.
She sent her boy to Everett to lead the junior boys
~~And now up at Bambiland he's making lots of noise~~
Oi Oi Oi Zeta Beta Toy
What have they done to Mrs. DeMatteo's boy?

*folk - now they made him
our chief judge
Isn't that a joke.*

XI. DEDICATED TO RAY FELIX: How high I am.

XII. TUNE: GET ME TO THE CHURCH ON TIME

~~I'll be up to visit you this evening
The head O.D.'s flashlight will shine
He'll come and meet me
Sammy will beat me
But I won't get caught next time.~~

XIII. TUNE: MERRY MONTH OF MAY

We were at the linen shack one night
Auntie Fay ~~was~~ nowhere in sight
But soon she came back
Chased everyone from the shack
and now we have no fun at night

XIV. TUNE: SHOELESS # JOE

Who is the general of our Grecian foe
Honey Rosenblatt from TAO
And who is taking a similar blame
Harriet Karshmer is the name
She's a guitar-playing girl from Smith
(handclapping)
We're told Jerry's an athlete (shout) A MYTH
(handclapping)

XV. TUNE: BLUE BLUE DAY

It's been a crazy meal - so well I do not feel
I'm sick of tuna fish this year.
Dessert is always fruit - I want a substitute
I'm tired of Everett food this year.
At meals we're quiet quiet
Ha - that's not right
It's like a riot riot - grabbing all in sight
We've suffered through this year - we deserve a great big cheer
For surviving Everett food and TUNA FISH

XVI TUNE: WHAT A SWELL PARTY

Now it's over - Olympics are done - win or lose - We've had a
lot of fun.
Everett Olympics - were the best we've ever seen
To Greece - thank you - thank your generals too. Thanks to the
judges they had a rough job. Still they were fair and square
in spite of the mob. Everett Olympics were the best we've ever
