# CAMP SAFARIS FOOTLIGHTS

Last Thursday morning, Camp Everett was suddenly deserted. It was the first trip day, and the campers were busily exploring the surrounding country side and points of interest. The entire girls camp visited the Jacob's Pillow Dance Festival in Lee, Massachusetts. The freshmen and sophomore boys went to the Catskill Game Farm while the juniors and seniors engaged in a series of athletic contests at Crane Lake Camp (see page 4 sports).

For the girls the day was more than an enjoyable one. The whole girls campus stopped in Great Barrington for a shopping spree and had "super dupper" sundaes at Friendly's. They arrived at Jacob's Pillow early enough to tour the beautiful grounds. Then they saw the enjoyable show, consisting of ballet and modern dancing.

Immediately after clean-up the freshmen and sophomore boys boarded a red white and blue bus for the journey to the Catskill Game Farm in Catskill, New York. Upon arriving, the boys headed straight for the camping area where they consumed a delicious lunch. Then they went to see the animals, which ranged from a hippo and a giraff (in cages ofcourse) to angora lambs; that wandered among the visitors. They enjoyed, above all, feeding the animals with a special animal food sold at the farm. In the special section, where the boys were able to walk up to the young and tame animals, they had fun petting and feeding the fawns and sheep at the same time. The boys spent half an hour in the Game Farm's playground before climbing aboard the bus and returning to camp.

The ability to submerge himself in the part of a character completely different from himself is said to be the mark of a good actor. If so, the acting ability of the leads in tonight's show is certainly being put to a stiff test.

SHELLY TABOR has found it difficult to change from a sweet Sophomore girl into a wicked witch. Shelly has worked hard in over coming this obstacle and has perfected her scary witch's faces and cackles. She has promised to scare everyone in the audience.

SCOTTY CANTOR ran into similar difficulty playing Hansel who is so skinny that the witch must fatten him before he can be cooked. Scotty, whose appetite is hardly meager, has found it a strange experience to be urged to eat more.

The girls playing menacing trees and witches aids were given evil pills with their morning juice.

As all of us know, there are people who while never appearing on the stage are vital to the success of a theatrical production. Many such people have been connected with tonight's presentation of "Hansel and Gretel".

TOM HAVEL and LINDA PIZER, who have provided the dance and music for the play, are responsible for much of its charm and appeal. RICKY ELIAS with the assistance of the sophomore girl counsellors has provided the magnificent sets. The costumes have been supplied by GERTRUDE BERMAN.

# CAMPER COUNCIL MEETS

The first meeting of Camper Council on the girls campus convened on July 7. Officers were elected, and various measures were suggested by the representatives.

JUDY LEVY was chosen to head the girls' council as president. JANET ZELLER will serve as vice-president; SUSAN KORMAN will be secretary. First on the agenda was a discussion on maintaining the camp's immaculate appearance. It was suggested that campers hold refuse until they come to a waste paper basket. JANET MERRITT, BETH SHAPIRO, and JANE CUTLER volunteered to assist in assorting mail.

During the first meeting of the boys' Camper Council, elections were also held. ALAN NOVICH was elected president. The boys also elected ANDY WEISS vice-president; and LARRY SCHEFLIN secretary.

The boys' representatives are LARRY SCHEFLIN- Bunk 1; HOWARD MILLMAN- Bunk 2; AL NOVICH- Bunk 3; BARRY GOLDSTEIN- Bunk 7; JERRY SAMUEL- Bunk 8; DAVE LEFENFELD- Bunk 9; BOB GARSON- Bunk 11; ANDY WEISS- Bunk 12; JOHN METRIC; Bunk 14; and RONNY OREMLAUD- Bunk 15.

How come RAY NEVINS has become a favorite counsellor of MARK GOLDSTEIN? Why is BILLY the favorite song of some senior girls?

Last Tuesday was "Joe Maybrownday" at Camp Everett. The able square dance caller, whose yearly visits to Everett are a camp institution, conducted square dance clinics during the day and a camp-wide social in the evening.

During the social the campers performed the dances they had learned during the day so that everyone felt like a veteran square dancer. As the evening progressed the groups left the social according to age.

Early in the dance, while the freshmen were still present, everyone danced the Hokie Pokie, which the freshmen had mastered that afternoon. When only the seniors remained, such involved dances as a complex variation on the Charleston were performed.

As the campers went to bed visions of do-si-dos danced in their heads.

# ATHLETIC CONTESTS

On Thursday, the Junior and Senior boys, and waiters and C.I.T.'s traveled to Crane Lake Camp for a series of athletic contests. The trip was highlighted by the victory of an inspired team of senior boys over the favored Crane Lake senior softball team. The older juniors also won an easy victory in basketball.

The Seniors' 12-4 romp in softball was a team victory in the true sense of the word. Every team member had a base-hit, and the fielding was adequate at every position. HOWARD MILLMAN, who pitched for Everett, had Crane Lake under control throughout the game. RICKIE KASKEL, who clouted a two-run homer, starred at bat. It was generally agreed that their extraordinary spirit was the key to the Seniors' victory.

The Juniors were in control throughout their basketball game, and despite Coach Bernie DeMatteo's free substitution throughout the contest, the final score was Everett-26 Crane Lake-16.

The younger juniors lost in volleyball while the waiters and C.I.T.'s were defeated in softball.

Boys' Watermelon League has been underway for a week, and after two league activity periods the Sioux won the watermelon for the week.

Last Sunday night, everyone on the Boys' campus found out whether he was a Sioux, Crow, Creek, or Ute; and the camp gathered for the opening Indian ceremony. After cheering and athletic contests, and the burning of the old 48-star flag to commemorate the induction of Alaska, the first night standings, with the Sioux in the lead, were announced.

On Thursday evening, there was a complete Watermelon League sports schedule. The Sioux defeated the Utes in softball behind the no-hit pitching and home run hitting of BILLY RAPHAEL. The score was 6-0. The Sioux also defeated the Utes, in a two out of three volleyball contest. The Crows staved off a late rally by the Creeks to gain a 22-20 basketball victory. KENNY SILVER scored the winning basket. The Crows and Creeks tied in soccer.

The captains and rosters of the teams in the Girls' Watermelon League have been just selected.
